Connecting Northern Defence Industries – partnering to retain military advantage

23-25 September in Malmö, Sweden

Get extra exposure as a Supporter – three different packages

Do you want extra exposure when in Malmö meeting other companies and government from Sweden, Denmark and UK? Don't miss this opportunity to get that extra attention in the time leading up to the event and during it.

**220
delegates
attending**

Who is attending?

We are expecting about 220 delegates from both government and industry. Delegates will be high level representatives looking for everything from new business partners, new products or other opportunities to collaborate.

The packages

We are offering **three different sizes** of packages. They will offer different levels of exposure and will need different preparations.
